TREE SURVIVAL SCHOOL

Associated Green Industries of Northeastern Ohio

March 22, 23, 24, 2016

8:30 a.m. - 4:00 p.m.

Holden Arboretum
Horticulture Science Center
9717 Mitchells Mill Road
Chardon Township, (Kirtland), Ohio
(directions on back)

$135.00 per person for all three days
Enrollment limited to 35

Instructors: Randy Zondag (OSU) and Alan Siewert (ODNR) and Chad Clink (Holden Arboretum)

This three day school will be helpful to anyone who purchases, plants or cares for trees in a commercial or public landscape. The three days are divided between classroom and hands on outdoor learning experiences.

City service directors, tree commission members, cemetery workers, professional groundskeepers, and school groundskeepers should consider attending this program.

Participants are asked to dress for the weather and bring proper pruning tools (pruning saw, hand pruner, pole pruner, pole saw) and eye protection. The class is limited to the first 35 paid applicants. This program typically fills to capacity early.

The class qualifies for 15 Arborist CEUs. Questions? Call Alan Siewert at (440) 564-5883 for class content questions and credits. For available space and registration questions call Tami at (419) 627-7631.

Topics include: (Emphasis on trees from planting to 10 years of age)

- Introduction and Tree Biology
- Proper Transplant and Care of Trees Before They are Planted
- Developing a Tree Maintenance Program Before You Plant
- Watering Requirements
- Proper Pruning of New and Established Trees
- Buying and Selecting Trees in the Nursery
- Proper Planting Methods
