

Welcome to Blue Rock State Forest

The 4,579-acre Blue Rock State Forest is located 12 miles southeast of Zanesville. The forest is accessed primarily via State Route 60 and Cutler Lake Road.

Marginally productive farmland was originally acquired during the 1930s by the federal government under the Resettlement Administration. Surface ownership was later transferred to the Ohio Department of Natural Resources' Division of Forestry while the federal government retained three-fourths interest in the oil and gas rights. Subsequent reforestation and the application of forest management and protection practices have transformed low quality farmland into one of Ohio's most beautiful and productive forests.

In 1948, management of Cutler Lake and the adjoining recreation facilities was transferred to the Division of Parks and Recreation.

Forest Rules

1. Blue Rock State Forest is open daily from 6 a.m. to 11 p.m.
2. Motor vehicles are restricted to roads open to public traffic. Forest roads have a speed limit of 30 mph. Vehicles may not be parked where traffic or access to state forest roads is obstructed.
3. Horseback riding is permitted only along roads or on designated bridle trails.
4. Camping and building of fires are prohibited.
5. Disturbance or defacement of any property, material, natural feature or vegetation is prohibited. Berries, nuts and mushrooms may be gathered and removed from state forest land, except where posted.

Location Map

Hunting and Fishing

Hunting and fishing are permitted within Blue Rock State Forest as regulated by the Division of Wildlife. Shooting is prohibited within 400 feet of any building, facility or recreation area and from or across any road or driveway. Discharge of any firearm is not permitted except during lawful hunting.
