The State of Ohio offers landowners two options for the reduction of property taxes on their forestland. The **Current Agricultural Use Value (CAUV)** program (Ohio Revised Code Sections 5713.30 through 5713.38) provides for reduced property taxes at varying rates based on the productivity of the soil. The **Ohio Forest Tax Law (OFTL)** program (Ohio Revised Code Sections 5713.22 through 5713.26 and Administrative Code Sections 1501:3-10-01 through 3-10-07) provides for a fifty percent reduction in the local tax rate on forestland. Although forestland may qualify under both laws, any given tract can be enrolled in only one program. In exchange for the tax reduction conferred by Ohio's forest property tax laws, landowners agree to manage their forestland for the production of timber and other forest products and to abide by pertinent rules and regulations.

HOW DO YOU DECIDE WHICH PROGRAM IS BEST FOR YOU?

Contact your county auditor’s office for a copy of your current property tax appraisal card. Using the figures on that card, you can estimate savings you will receive under Ohio’s forest property tax laws. Be sure to consider net taxes paid on forestland after accounting for the reduction factor and, when applicable, the ten percent rollback. The auditor’s office can compute CAUV using soil maps furnished by your county Soil and Water Conservation District (SWCD) office. Under OFTL, the local tax rate of forestland is reduced by fifty percent. For estimating savings you may receive, consider the following example:

- Your forestland amounts to 30 acres
- Effective local tax rate: 50 mills after all tax credits are accounted for
- Appraised market value: \$800 per acre (your amount may be greater; check local appraised value)
- Tax value: 35% of the appraised market value

Estimated Property Tax without CAUV or OFTL

<u>Value</u>	<u>Calculation</u>	=	<u>Amount</u>
Total Value	\$800 per acre x 30 acres	=	\$24,000
Tax Value	\$24,000 x 35% (0.35)	=	\$8400
Property Tax Due	\$8400 x 50 mills (0.05)	=	\$420

Estimated Property Tax with CAUV			Estimated Property Tax with OFTL		
<i>Value</i>	<i>Calculation</i>	<i>Amount</i>	<i>Value</i>	<i>Calculation</i>	<i>Amount</i>
Total Value*	\$230 per acre x 30 acres =	\$6,900	Total Value*	\$800 per acre x 30 acres =	\$24,000
Tax Value	\$6,900 x 35% (0.35) =	\$2,415	Tax Value	\$24,000 x 35% (0.35) =	\$8400
Property Tax Due	\$2,415 x 50 mills (0.05) =	\$120.75	Property Tax Due	\$8400 x 25 mills (0.025) =	\$210**

* Many forest soils in Ohio are assigned a CAUV of \$230 per acre. However, CAUV increases for more productive forest soils. The minimum estimated total value for forestland per acre in Ohio is approximately \$800 per acre, but this amount is greater in those regions where local property values are higher.

** Note that the property tax rate in this example is reduced by half with OFTL, from 50 mills to 25 mills.

HOW TO APPLY

CAUV: Apply at your county auditor’s office between the **first Monday in January and the first Monday in March**. For the three-year update or six-year reappraisal, the application period is extended to permit comparisons of CAUV with new appraisal values. The initial application fee for CAUV is \$25. You may be required to have a forest management plan in place at the time of application. Check with your auditor’s office well before the application period to determine requirements for CAUV in your county.

OFTL: Obtain a copy of “Application for Classification of Forest Land” (FT-6) from the Ohio Division of Forestry (DoF) through your service forester or from the DoF website (ohiodnr.com/forestry). After completing the form, return it to your service forester along with:

- 1) A copy of your most recent property tax bill, available at your county auditor’s office;
- 2) Three photocopies of aerial photos of your property, available at your county Farm Service Agency (FSA) office, located at the U.S. Department of Agriculture (USDA) Service Center; and
- 3) A tax plat map, available at your county tax map office or county surveyor’s office.

Your service forester will then make arrangements to examine your forestland with you to determine if it qualifies. Once you have met all the requirements for application, your service forester will collect from you a non-refundable fee of \$50 and process your application.
