

November | 2016

Welcome to PLT-Ohio's TREE-rific Resources! We here at the PLT-Ohio office hope this newsletter keeps you well-informed of the many PLT resources and events that come with the season. This edition will keep you warm as the weather gets chilly with resources to make the most of this dynamic and exciting change of seasons.

If you have any additional TREE-rific opportunities to share, or if you would like more information about future educational and professional workshops that PLT has to offer, please do not hesitate to contact our PLT-Ohio office. Also be sure to check out the [PLT-Ohio webpage](#) and the [new national website](#) for more PLT resources!

In The Know

Want to Create an Environmental Education Program at YOUR School? Funds are Available!

New federal funding is now available through the Every Student Succeeds Act to provide a well-rounded education including environmental education. Project Learning Tree is an example of a program that can provide school systems with a proven curriculum aligned with education standards. Read more about this exciting opportunity [HERE](#)

Bat Squad! A Webcast for Kids, by Kids

To celebrate Bat Week, a new webcast series was launched featuring eight young bat enthusiasts who have been participating in bat education, research, and conservation activities. These 15-minute webcasts aim to inspire students to become involved in conservation. Click [HERE](#) to view the webcasts

Upcoming Events

50th Annual EECO Conference- April 6-9, 2017

The Environmental Education Council of Ohio (EECO) is hosting their 50th conference at Deer Creek State Park from April 6-9, 2017. The theme this year is "Honoring the Past, Looking to the Future" and proposals for presenters are still being accepted. To apply or read more about the event, click [HERE](#)

NSTA Columbus Conference- December 1-3, 2016

The National Science Teachers Association is hosting its final area conference of 2016 in Columbus, Ohio! The theme of the conference will be "Champions of Science: a Game Plan for the Future" and will include hands-on activities and many opportunities for professional development. PLT will be there so let Sue know if you plan to attend! Click [HERE](#) for more information and to register online.
