Yard Tree = only those trees removed from maintained or “manicured” areas where natural regeneration would not normally occur are eligible (i.e. routinely mowed residential yards, municipal streets and parks, and commercial landscapes.)

Total number of trees requested (not to exceed 10) _____

A one to one “yard” tree replacement program for up to ten eligible trees. Program trees must be planted on same property parcel where host tree was removed.

** Nursery availability may affect selection

_____ Prefer to have your tree(s) delivered?

_____ Prefer to pick up tree(s) at East Fork State Park South Lot (SR125)?

E-mail form to Wendi Van Buren at wendi.vanburen@dnr.state.oh.us, or

Fax form to the Division of Forestry, at 513/932-6144, or
